FRESH COCKTAIL MIX

1 L & 16 oz Bottles

Pear Pressure

pear . vanilla . lemon

This best selling blend is always a crowd pleaser. Meant to be mixed with vodka and topped with champagne, the refreshing fruity taste of pear is perfectly balanced with sweet vanilla and tart lemon.

Ingredients: pear puree (pears, sugar, natural pear flavor, malic and ascorbic acids) lemon juice, sugar, vanilla bean

Berry Basic

strawberry . lime . mint . elderflower

This blend is one of our most refreshing cocktails, meant to be mixed with gin or vodka and topped with soda water. The bright strawberry puree pairs perfectly with lime, sweet mint, and elderflower.

Ingredients: Strawberry puree (strawberries, sugar, fruit pectin and ascorbic acid), lime juice, sugar, mint, elderflower

Lei'd Back

guava . orange . lime . coconut . almond . vanilla

This blend is summer in a bottle, meant to be mixed with rum. The tropical taste of guava is complimented by flavors of orange and lime with island notes of coconut, almond, and vanilla.

Ingredients: guava puree (pink guavas, sugar, malic acid), sugar, orange juice, lime juice, coconut, almond, vanilla bean

Rye Not

apple cider . passion fruit . rosemary

The harmony of tart passion fruit alongside sweet rosemary and apple cider is exactly what your favorite whiskey has always been missing. We recommend trying this blend with rye whiskey, but it pairs nicely with bourbon as well.

Ingredients: passion fruit puree, apple cider, rosemary, sugar

Dark Tide

ginger . hibiscus . molasses . lime

This blend is our most complex in flavor and meant to be mixed with tequila. Hints of baking spices, hibiscus, and ginger marry perfectly with the bold flavor of molasses and tart lime.

Ingredients: molasses, lime juice, sugar, ginger, spices, hibiscus
